Dear Mr. O'Neal:

In response to your October 23, 1997 application for exemption, enclosed is a copy of DOT-E 11990. Please note that in Paragraph 7.a. safety devices, the start to discharge pressure is not the same as stated in your application. You must comply with the requirements specified in paragraph 7.a. Section 178.3 5(e) of the exemption.

Sincerely,

Alan I. Roberts
Associate Administrator for
Hazardous Materials Safety
